WELCOME TO OUR PRACTICE

Dear Patient,

I would like to warmly welcome you as my patient and reassure you that it will be my pleasure to care for you throughout your procedure. This information pack has been prepared to guide you through the anaesthetic process, including how to prepare, what to expect on the day, potential risks, and the consent process. I hope this information helps to answer any questions you may as you prepare for your procedure.

Please take note of the following important information:

1. ANAESTHESIA INFORMATION SHEET AND CONSENT FORM:

Attached to this welcome letter you will find an Anaesthetic Information Sheet and Consent Form, which contains important details regarding your anaesthetic. Please read the information carefully, complete and sign the Consent Form, and bring it with you on the day of surgery.
If preferred, the form may be completed electronically and emailed back to us prior to your procedure.

2. MEDICAL AID AND ACCOUNTS:

Please note that the anaesthetic account is rendered separately from the hospital and surgeon's accounts. Although we submit the account to your medical aid on your behalf, you remain personally responsible for payment. Medical aid reimbursement depends on your specific plan and fund rules and may not cover the full anaesthetic fee. Any shortfall remains your responsibility.
If you are not the principal member, please ensure that the main member is informed.

If you have any questions regarding your anaesthetic account prior to your procedure, please contact Precision Medical Solutions directly (and not your surgeon):

3. IMPORTANT NOTES:

We will have an opportunity to discuss your anaesthetic in person on the day of surgery, and I will be happy to answer any further questions or concerns at that time. I look forward to meeting you and doing my best to make your experience as comfortable as possible.
